Easter at Skansen

Stay at the Rival Hotel

The days are getting longer and soon the snow will melt and the green buds will appear... Stockholm is a wonderful place to visit in the springtime. Centrally located near Slussen (bus, boat, train, subway), the Rival Hotel is the perfect place to have as your home base while exploring the city. The Old Town is a quick ten minute walk away while the island of Djurgården is easily reached with ferries from nearby Slussen. And after a long day of exploring the city... nothing beats coming back to Rival, borrowing a DVD and relaxing in your room.

Planning on doing some shopping while in Stockholm? Hotel Rival is perfectly located between the unique shopping area of SoFo www.sofo.se and the downtown commercial

district filled with department stores and shopping centers. After dropping off your shopping bags in your room, head to the Rival Bar and kick back with a drink prepared by some of Stockholm's best bartenders. Stockholm has a lot of activities to offer for the whole family during the Spring season. Are you curious about Swedish Easter traditions (did you know, for example, that young boys and girls dress up as witches this week)? Then visit Skansen Park on Djurgården to see how Swedes traditionally celebrate Easter and stroll through their Easter market.
