

The Creative Room

Up to 8 people

We decided to redecorate The Creative Room, which accommodates 8 people, in '50 shades of pink.' The "Happy Swing" armchair offers a good spin.

If you are searching for a conventional conference room then The Creative Room is not for you! An illuminated glass wall also adds an extra dimension to the room.

Technology in the Board Room:
 Conference telephone Konftel 55W
 Webcam for Video conference, up to 10 Mbit WiFi
 Wireless charging capability in table (Qi)
 Connection in table (HDMI, VGA, USB)
 60" LCD-TV for presentation and Skype
 Mac Mini with Skype and wireless keyboard & mouse. Whiteboard, flipchart.

The Creative Room has a sideboard in marble with a Nespresso machine, an extensive selection of teas and a fridge with refreshments and a snack bar.

End your day with dinner in our Bistro.

Don't go home, stay for the night!
